We have audited the financial statements of UNISHIRE URBAN INFRA LIMITED (“the Company”), which comprise the Balance Sheet as at 31st March, 2022 and the Statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2022, and its *PROFIT*, and its changes in equity and cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the “*Auditor’s Responsibilities for the Audit of the Financial Statements*” section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Those Board of Directors are also responsible for overseeing the company’s financial reporting process.

Auditor’s Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the financial statements of the Company as of and for the year ended 31st March, 2022, we have audited the internal financial controls over financial reporting of M/s. **Unishire Urban Infra Limited** (hereinafter referred to as “the Company”), which is company incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting with reference to these financial statements.

Meaning of Internal Financial Controls over Financial Reporting with Reference to these Financial Statements

A company's internal financial control over financial reporting with reference to these financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial

control over financial reporting with reference to these financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention

or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting with Reference to these Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us, has, in all material respects, an adequate internal financial controls system over financial reporting with reference to these financial statements and such internal financial controls over financial reporting with reference to these financial statements were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note : 2 - Significant Accounting Policies

(i) Basis of Preparation of Financial Statements :

The financial statements are prepared under the historical cost convention, on the accrual basis of accounting to comply in all material with the applicable accounting principles in india, the mandatory Accounting Standards ('AS') as prescribed under Section 133 of the Companies Act, 2013 ('the Act'), read with rule 7 of the Companies (Accounts) Rules, 2014, the relevant provisions of the Act, the guidelines issued by the Securities and Exchange Board of India ('SEBI') and the Companies Act, 1956 to the extent relevant.

(ii) Use of estimates :

The preparation of the financial statements, in conformity with generally accepted accounting principles in India, requires that the Management makes estimates and assumptions that affected the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amount of revenue and expenses during the reporting period. Actual results could differ from those estimates. Any revision on accounting estimates is recognised prospectively in current and future periods.

(iii) Property, Plant & Equipment :

Tangible assets

Tangible assets are stated at their cost of acquisition or construction less accumulated depreciation. Cost includes inward freight, duties, taxes and expenses incidental to acquisition and installation or construction, net of CENVAT,VAT and GST credit, where applicable.

The cost of the fixed assets not ready for their intended use before such date, are disclosed as capital work-in-progress.

Intangible assets

Intangible assets are stated at cost of acquisition less accumulated amortisation.

(iv) Depreciation / amortisation:

In respect of fixed assets during the year, depreciation/amortisation is charged on Written Down Method as to write off the cost of the assets over the useful lives.

(v) Investments :

Investments, which are readily realisable and intended to be held for not more than one year from the date on which such investments are made, are classified as Current Investments. All other Investments are classified as Non Current Investments. Non Current Investments are stated at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of the investments. Current Investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. In case of unquoted securities, where fair market value is not available, lower of break up value or cost is considered. On disposal of an Investment, the difference between its carrying amount and net disposal proceeds is charged to the statement of profit and loss.

(vi) Inventories:

Inventories are stated at lower of the cost or net realizable value. Cost is determined on weighted average basis.

(vii) Recognition of Income and Expenditure :

Revenue is recognised and reported to the extent it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. Interest Income is recognised as and when the same has accrued on time proportion basis and company's right to receive interest is established. Dividend Income is recognised when right to receive the same is established by the reporting date

(viii) Employee Retirement & Other Benefits

Short term employees benefits are recognised in the period in which employees's services are rendered

(viii) Income Taxes

Income taxes

Income tax expense is aggregate of current tax (i.e. amount of tax for the period determined in accordance with the income tax law), deferred tax charges or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period) borne by company.

Current tax expense is recognised on an annual basis under the taxes payable method, based on the estimated tax liability computed after taking the tax credit for the allowances and exemption in accordance with the Income Tax Act, 1961.

Deferred Taxation

The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carried forward losses under the taxation laws, deferred tax assets are recognised only if there is virtual certainty of realisation of such assets. Deferred tax assets are reviewed as at each balance sheet date and written down or written up to reflect the amount that is reasonably/ virtually certain (as the case may be) to be realised.

(ix) Earning Per Share :

The Company reports basic and diluted earnings per share in accordance with Accounting Standard 20 - Earnings Per Share, as prescribed by the Rules. Basic earning per shares is computed by dividing the net profit after tax attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding for the year. Diluted earnings per share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year.

Diluted earning per share have been computed using the weighted number of equity shares and dilutive potential equity shares outstanding at year end.

(x) Provisions and Contingencies :

The Company creates a provision when there is a present obligation as a result of a past event and it is probable that an outflow of resources would be required to settle the obligation, and in respect of which a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources.

When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provision are reviewed at each balance sheet date and are adjusted to reflect the current best estimates. A contingent liability is disclosed unless the possibility of an outflow of resources embodying the economic benefits are remote.

Contingent Assets are neither recognized nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the assets and related income are recognized in the period in which the change occurs.

(xi) Cash and Cash Equivalents :

Cash and cash equivalent comprise cash and cash deposits with bank.
